

# Protective Blessing for Dogs

Diana, Goddess of the Wild,  
Keeper of dogs both fierce and mild,  
Hold (name of pet) safely in Your arms  
And protect this creature from all harm.  
And should the day come that he/she roams  
Guide him/her to the path back home.  
Bless (name of pet) with a joyful life  
Free of hardship, stress, and strife.
